

# Kimberlite Basics 1: Testimonials

Wow. I learned more about kimberlites in 8 days than I did in the first 10 years of my career.

*Kari Thompson,  
Diavik Diamond Mines Inc.*

This course is worth its weight in diamonds. Enjoyable at every turn and an amazing experience of both rocks and knowledge.

*Mike Johnson, Director of Operations,  
Tahera Diamond Corporation*

What an excellent course. Such an amazing collection of rocks. Thank you for sharing your knowledge.... the rocks are talking.

*Scott Parsons, Northern Superior Resources Inc.; currently Kimberlite Geologist, Ekati Diamond Mine*

Fantastic two weeks of rocks.

*Russell Eley,  
Senior Project Geoscientist,  
BHPBilliton  
Minerals Exploration*

Ah, I see!!!!

Kimberlite Basics 1 by SSPI is a fantastic resource for anyone interested in furthering their understanding of all kimberlite rocks. The course content is engaging, the instruction hands-on, and the level of instruction and teaching resources is constantly evolving and developing. I took the course with other professional colleagues. I was quickly and efficiently introduced to the petrology of kimberlites and related rocks. The course stresses the key concepts of kimberlite geology and petrology as they relate to diamond exploration and resource evaluation.

*J. Kelly Russell, Professor,  
Volcanology, University of  
British Columbia*

Great course, great collection.

*Hayley McLean, Resource Geologist,  
Diavik Diamond Mines Inc.*

Excellent course with well prepared materials. Thank you for pointing out to me how much I do not know. I hope that more mining professionals will have the opportunity to take it.

*Jarek Jakubec,  
Head of Mining and Geology,  
SRK Consulting Canada Inc.*

The course was great, it helped crystallise a lot of things for me.

*Jennifer Pell,  
Chief Geoscientist,  
Peregrine  
Diamonds Ltd.*

I learned an amazing amount and I really appreciated seeing the wide rock collection (the only way to learn).

*Barb Kupsch,  
Stornoway Diamond Corp.*

I now feel much more confident about what I am doing.

*Abby Peterson, Tahera Diamond Corporation*
